# Sydenham Community Curling Club

P.O. BOX 20047, WALLACEBURG, ONTARIO N8A 5G1

## Welcome

On behalf of the Sydenham Community Curling Club, I would like to take this opportunity to welcome everyone to the 32nd Annual All-Ontario Farmers Cash & Product Bonspiel.

We are fortunate enough to have a great volunteer base and committee members that make events like this possible. Their hard work and dedication is truly appreciated.

I would also like to thank all of the sponsors, without their generous support an event like this wouldn't be possible.

I hope everyone has a weekend full of good times, good friends and great curling.

Sincerely,  
John Roberts – President  
Sydenham Community Curling Club

### THE BOB RICHMOND MEMORIAL TROPHY

In February 1993, the Sydenham Community Curling Club, and the All Ontario Farmers Bonspiel, lost a good friend when Bob Richmond passed away. In order to remember Bob, and recognize his contributions to this bonspiel, we have dedicated the All Ontario Farmers Bonspiel Trophy to his memory.

## *The Farmers Kids*

A farmer has three sons. One day, his oldest boy comes to him and pleads with him that he is graduating from school and would really like to get a car. His father says, "Son, come with me." He takes him to the barn and points to the farm tractor and says, "That tractor is needed here on the farm and I promise that as soon as it's paid for, we'll get you a car." The boy was not too happy but he did understand that situation and said, "Okay, Dad."

A week later, his second son (10 years old) approaches him wanting a new two-wheel bicycle. Well, he gets the same excuse ... "as soon as that tractor is paid for.."

Shortly, a few days later, son no. 3, his youngest, comes bugging him for a tricycle. Again, Dad gives him the lecture about the tractor being paid for first.

While leaving the barn, the young boy, more than a little disgusted with the whole thing, sees a rooster mating with one of the hens and promptly goes over and kicks the rooster off the hens back, mumbling to himself the whole time.

His dad says, "Son, why on earth would you do something like that? He didn't do anything to you to deserve that!"

The little boy looks Dad right square in the eye and says, "Hey, nobody rides anything around here until that damn tractor is paid for."

## **Fence Chatting**

A farmer and his friend were leaning on a fence chatting.

Suddenly, the local Game Warden showed up and insisted on checking the farmer's property and, in particular, a certain field. The farmer refused to allow him access to the field but the Warden insisted he had the right, saying, "I'm the Game Warden and I have a card! This card allows me to go in." Before the farmer could stop him, the Warden was off into the field.

Soon, a horrifying scream pierced the air and the Warden, being chased by a massive bull, reappeared running for his life. "Help, help!" he cried.

The farmer shouted back, "Show him your card! Show him your card!"

## *Farmers Will*

TO MY WIFE: My overdraft at the bank. Maybe she can explain it.

TO MY BANKER: My soul. He has the mortgage on it anyway.

TO MY NEIGHBOR: My clown suit. He'll need it if he continues to farm as he has in the past.

TO THE FARM ADVISER: 50 bushels of corn to see if he can hit the market. I never did.

TO THE JUNK MAN: All my machinery. He's had his eye on it for years.

TO MY UNDERTAKER: A special request. I want six implement and fertilizer dealers for my pallbearers. They're used to carrying me.

TO THE WEATHERMAN: Rain, sleet and snow for the funeral please. No sense having good weather now.

TO THE GRAVEDIGGER: Don't bother. The hole I'm in should be big enough.

TO THE MONUMENT MAKER: For the epitaph: "Here lies a farmer who has now properly assumed all of his obligations."
